17. Morgenthau HJ, Thompson KW (1993). *Politics among Nations: The Struggle for Power and Peace*, Brief ed edition. McGraw-Hill, New York. Morgenthau offre une définition de la diplomatie qui vient s'insérer dans une vision réaliste classique des relations internationales. Selon lui, dans un contexte d'anarchie internationale où les États cherchent à assurer leur propre sécurité et à travailler à la poursuite de leur intérêts, la diplomatie peut servir d'outil à apaiser les tensions et à trouver des compromis. Il décrit la diplomatie comme l'instrument principal de la paix par accommodation.
